CITY OF PARAMOUNT
LOS ANGELES COUNTY, CALIFORNIA

ORDINANCE NO. 1093

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PARAMOUNT, CALIFORNIA APPROVING THE JOINT POWERS AGREEMENT TO JOIN THE LOS ANGELES COMMUNITY CHOICE ENERGY AUTHORITY AND AUTHORIZE THE IMPLEMENTATION OF A COMMUNITY CHOICE AGGREGATION PROGRAM

THE CITY COUNCIL OF THE CITY OF PARAMOUNT DOES ORDAINS AS FOLLOWS:

WHEREAS, the City of Paramount has been actively investigating options to provide electric services to constituents within its service area with the intent of achieving greater local involvement over the provisions of electric services and promoting competitive and renewable energy;

WHEREAS, on September 24, 2002, the Governor signed into law Assembly Bill 117 (Stat. 2002, Ch. 838; see California Public Utilities Code section 366.2; hereinafter referred to as the "Act"), which authorizes any California city or county, whose governing body so elects, to combine the electricity load of its residents and businesses in a community-wide electricity aggregation program known as Community Choice Aggregation;

WHEREAS, the Act expressly authorizes participation in a Community Choice Aggregation (CCA) program through a joint powers agency, and to this end the County of Los Angeles (County) has been participating since 2015 in the evaluation of a CCA program for the County and the cities and towns within it;

WHEREAS, through Docket No. R.03-10-003, the California Public Utilities Commission has issued various decisions and rulings addressing the implementation of CCA programs, including the recent issuance of a procedure by which the California Public Utilities Commission will review "Implementation Plans," which are required for submittal under the Act as the means of describing the CCA program and assuring compliance with various elements contained in the Act;

WHEREAS, representatives from the City along with representatives from the County and participating cities within the County, have developed the Los Angeles Community Choice Energy Authority Joint Powers Agreement ("Joint Powers Agreement") (attached hereto as Exhibit A) in order to accomplish the following:

To form a Joint Powers Authority known as "Los Angeles Community Choice Energy Authority"; and

To specify the terms and conditions by which participants may participate as a group in energy programs, including but not limited to the preliminary implementation of a CCA program;

WHEREAS, representatives from the City along with the County and participating cities within the County have developed a Business Plan that describes the formation of Los Angeles Community Choice Energy (LACCE) Authority and the CCA program to be implemented by and through the LACCE Authority;

WHEREAS, a final Implementation Plan will be submitted for review and adoption by the LACCE Authority's Board of Directors;

WHEREAS, as described in the Business Plan, Community Choice Aggregation by and through the LACCE Authority appears to provide a reasonable opportunity to accomplish all of the following:

- a. To provide greater levels of local involvement in and collaboration on energy decisions.
- b. To increase significantly the amount of renewable energy available to LACCE Authority energy customers,
- c. To provide initial price stability, long-term electricity cost savings and other benefits for the community, and
- d. To reduce greenhouse gases that are emitted by creating electricity for the community;

WHEREAS, the Act requires CCA program participants to individually adopt an ordinance ("CCA Ordinance") electing to implement a CCA program within its jurisdiction by and through its participation in the LACCE Authority;

WHEREAS, based on the feasibility studies and Business Plan, it is in the public's interest and welfare to establish a CCA program within the City of Paramount; and

WHEREAS, the Joint Powers Agreement expressly allows the City to withdraw its membership in the LACCE Authority (and its participation in the CCA program) by providing no less than 180 advance written notice to the LACCE Authority.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PARAMOUNT, CALIFORNIA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. That the recitals set forth above are true and correct and are incorporated as though fully set forth herein.

SECTION 2. Based upon the findings and declarations set forth in this ordinance, and in order to provide businesses and residents within the jurisdictional boundaries of the City with a choice of power providers and with the benefits described in the recitals above, the City Council hereby elects to implement a CCA program within the City's jurisdiction boundaries. Upon approval of the LACCE Joint Powers Agreement, the City will implement the CCA program by and through the City's participation in the LACCE Authority, a joint powers authority established pursuant to California Government Code section 6500 et seq. and California Public Utilities Code section 366(c)(12).

SECTION 3. That the City Council hereby approves and directs that the City proceed with the participation in the LACCE Joint Powers Authority.

SECTION 4. That the City Council declares that, should any provision, section, paragraph, sentence or word of this ordinance be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this ordinance as hereby adopted shall remain in full force and effect.

SECTION 5. That all the provisions of any of the City's ordinances as heretofore adopted by the City that are in conflict with the provisions of this ordinance are hereby repealed.

SECTION 6. That this ordinance shall take effect thirty (30) days after its adoption.

SECTION 7. That the City Attorney prepared reviewed this ordinance pursuant to the Municipal Code and finds that the City Council has the authority to adopt this ordinance, that the ordinance is constitutionally valid and that the ordinance is consistent with the general powers and purposes of the City as set forth in the City's Municipal Code.

SECTION 8. The Mayor shall sign and the City Clerk shall attest to the passage of this Ordinance. The City Clerk shall cause the same to be published once in the official newspaper within 15 days after its adoption. This Ordinance shall become effective 30 days from its adoption.

CITY OF PARAMOUNT
LOS ANGELES COUNTY, CALIFORNIA

ORDINANCE NO. 1095

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PARAMOUNT, CALIFORNIA, AMENDING CHAPTER 38, ARTICLE VIII, ROADSIDE TREES AND PARKWAY MAINTENANCE OF THE PARAMOUNT MUNICIPAL CODE

WHEREAS, tree ordinances are adopted by communities striving to attain a healthy, vigorous and well-managed urban forest; and

WHEREAS, this tree ordinance shall include the authorization, regulations, penalties, liabilities, and policy necessary to consistently and objectively manage urban forest; and

WHEREAS, the City of Paramount ("City") is in the application process for the Tree City USA designation for the City. The Arbor Day Foundation awards this designation to communities who show great care for their public trees. One of the requirements for the application is to have an adopted City Tree Care Ordinance that provides guidance for planting, maintaining, and removing trees.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PARAMOUNT, DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. Chapter 38, Article VIII is hereby amended in its entirety to read as follows:

Article VIII. Trees and Parkway Landscaping.

Sec. 38-154. Definitions.

For the purposes of this article, the following words and phrases shall have the meanings respectively ascribed to them by this section:

City. The City of Paramount.

Drought tolerant landscaping. Those landscape plantings, including, but not limited to, trees, shrubs, perennials, groundcovers, ornamental grasses and California-native plants that require low water use for maintenance and that are included in the Metropolitan Water District's California Friendly Garden Guide catalogue, available at http://www.bewaterwise.com.

Park trees. Trees in public parks having individual names, or to which the public has free access as a park.

Parkway. That portion of a public right-of-way which is available for landscaping and not for curb, gutter or pavement.

Parkway trees. Trees planted in residential or commercial areas located between the curb and the sidewalk.

Public right-of-way trees. Trees located on major arterial and secondary roadways which are in the public right-of-way which are the responsibility of the city.

Topping, stubbing, or pollarding. The removal of a branch to a stub, bud or lateral branch not large enough to assume a terminal role which produces less desirable results than more moderate pruning with respect to the natural form of the tree and which is generally hazardous to the overall health and stability of the tree. Topping is defined as the severe cutting back of limbs to stubs larger than three inches in diameter within the tree's crown to such a degree so as to remove the normal canopy and disfigure the tree.

Sec. 38-155. Establishment of a tree city representative.

There is hereby created and established a city tree representative for the City of Paramount ("city representative") which shall consist of the city's public works director, or designee.

It shall be the responsibility of the city representative to administer and

enforce the provisions of this ordinance. It shall be the authority and duty of the city representative to plant, trim, prune and care for all trees, shrubs and plants and to remove all objectionable trees, shrubs or plants in and upon any street, alley or public right-of-way in the city.

Sec. 38-156. Public tree care.

(a) Maintenance.

(1) Public-right-of-way and park trees, as defined hereinabove, shall be maintained by the city's public works department or its designated contractor(s) charged with ensuring maintenance of said trees at all times.

(2) The owner of private property in all residential zones of the city whose property includes a parkway tree shall:

- a. Provide adequate water to any parkway tree planted on his/her parkway.
b. Notify the public works department of any suspected tree hazards or maintenance needs of the parkway tree.
c. Landscape and properly maintain the landscaping within the parkway adjacent to his/her property.

(b) Planting. Trees that are indigenous to the area, and/or suitable for the local climate as determined by the city representative and/or landscape architect, should be used. Site layout shall take into consideration Paramount's climate by including trees, landscaping and architectural elements to provide shade, as appropriate for the available root and tree canopy space.

(c) Spacing. A variety of design techniques are encouraged to be used to create safe, inviting, and functional pedestrian and cyclist environments in residential developments, including street trees planted to provide shade on pedestrian paths, sidewalks, and walkways.

(d) Pruning. All trees should be pruned, trimmed, and thinned as deemed necessary by the city representative. All tree pruning shall be done in accordance with ANSI A300 Standards and per International Society of Arboriculture recommendations. The city shall have the right to prune any tree located on private property, but which encroaches on the public right-of-way upon written notice to the property owner.

(e) Tree topping. It shall be unlawful for any person to top any public-right-of-way tree, park tree, or parkway tree. Trees severely damaged by storms or other causes, or certain trees under utility wires or other obstructions where other pruning practices are impractical may be subject to tree topping at the sole discretion of the city representative.

Sec. 38-157. Removal.

No person shall remove, cut, trim, or prune, injure or interfere with any parkway tree, public right-of-way tree, or park tree.

The city representative may cause to be removed, any tree or part thereof which is in an unsafe condition or which by reason of its nature is damaging to sewers, electric power lines, gas lines, water lines, or other public improvements, or is affected with any fungus, disease, insect or other pest.

Sec. 38-158. Drought tolerant planting.

In addition, the following regulations shall apply for landscaping of parkways in the R-1 (Single Family), R-2 (Medium Density), R-M (Multiple Family), C-3 (General Commercial), C-M (Commercial Manufacturing), M-1 (Light Manufacturing), and M-2 (Heavy Manufacturing) zones:

- (a) All parkways shall be landscaped with live turf, drought tolerant plants,

compost, mulch, and artificial turf, or any combination thereof.

(b) Live plant materials shall compose a majority more than 65% of the residential parkway, exclusive of permitted driveways. Other than permitted non-living material, all areas shall be covered with live plant materials.

(c) Parkway landscaping shall consist of artificial turf or drought tolerant plants.

(d) Parkways in C-3 (General Commercial), C-M (Commercial Manufacturing) and M-1 (Light Manufacturing), and M-2 (Heavy Manufacturing) zones shall comply with the Model Water Efficient Landscape Ordinance (MWELO) of the State of California and Article XXIV of the Paramount Municipal Code.

Section 2. Severability. If any section, subsection, sentence, clause or phrase in this ordinance or the application thereof to any person or circumstance is for any reason held invalid, the validity of the remainder of the ordinance or the application of such provision to other persons or circumstances shall be adopted thereby. The City Council hereby declares it would have passed this ordinance and each section, subsection, sentence, clause or phrase thereof, irrespective of the fact that one or more sections, subsections, sentences, clauses, or phrases or the application thereof to any person or circumstance be held invalid.

Section 3. Effective Date. This Ordinance shall take effect thirty days after its adoption, shall be certified as to its adoption by the City Clerk, and shall be published once in the Paramount Journal within 15 days after its adoption together with the names and members of the City Council voting for and against the Ordinance.

PASSED, APPROVED, and ADOPTED by the City Council of the City of Paramount this 9th day of January, 2018.
