2020 City of Paramount Urban Water Management Plan Update: Public Notice

The Urban Water Management Planning Act (AB 797) and Assembly Bill 2661 (AB 2661) respectively, require all urban water suppliers who provide water to more than 3,000 customers, to prepare and adopt an Urban Water Management Plan (UWMP) every five years. Our last plan was adopted in 2016. The 2020 plan, which includes data through the end of 2020, is required to be adopted by July 2021. As mandated, the City of Paramount, in coordination with the Central Basin Municipal Water District (CBMWD), is making the draft 2020 Plan available for public review in May 2021. Any interested parties can request information or leave comments at the City of Paramount's Public Works Department with Wendy Macias at (562) 220-2111 and/or at wmacias@paramountcity.com.

Since the original act's passage in 1983, several amendments have been added. One of the most recent changes includes legislative requirements set forth by SBX7-7 or the 20x2020 Water Conservation Plan, which calls for a 20 percent per capita water use reduction by the year 2020. The City's reduced water use targets were introduced in the 2010 UWMP and met in the 2020 Plan update. The City is currently in compliance with SBX7-7 requirements.

A public hearing will be held June 15, 2021 to present the final plan to City Council and allow for public comment on the Plan update.
