**ESOTERIC ASTROLOGY AS NEWS FOR
WEEK NOVEMBER 17 - 23, 2021
THE TAURUS LUNAR ECLIPSE**

Notes on the upcoming Lunar Eclipse, Full
Moon, Scorpio Solar Festival

We have a full moon lunar eclipse this Fri-
day, November 19. Lunar eclipses, when the
moon is hidden (eclipsed, in earth's shadow,
turning maroon in color) occur when the
moon is full. This eclipsed moon is at 27
degrees Taurus. It is also the Scorpio solar
festival at 27 degrees Scorpio. The Sun is
opposite the moon at full moon times.

There are lunar (moon hidden) and solar
(Sun hidden) eclipses.

Eclipses don't happen all of a sudden. They
have a six-month span - three months before
the actual eclipse & three months after. Stu-
dents of astrology are taught to observe the
months before & after the eclipse to see what
has changed or fallen away. A lunar eclipse
allows for things in form and matter, external
things to fall away, their purpose complete.
During solar eclipses, something essential
within ourselves and our lives also fall away,
its purpose also complete.

Much of the writing about eclipses in our
media is reactive and emotionally based and
therefore the information is often incorrect.
Nor is it useful. What is most important is
knowing that ALL energies from the heavens
(stars, planets, Sun, Moon, Eclipses, etc.) are
neutral. It is the stage of our awareness and
HOW WE USE THOSE ENERGIES that makes
them either difficult or harmonious. Many
astrology writers write emotionally about the
eclipses & this creates unneeded emotional

RISA'S STARS

reactions & fears in people.

ARIES: Read Catherine Austin Fitts' website,
Solari.com (excellent financial advisor). A
financial adviser for information on finances
and investments may be needed during this
"reset." Everything, especially inflation, is
influencing our money and resources now.
How have you previously handled finances?
Are you generous or challenged to be gener-
ous? Do you balance and maintain a budget
and tithe regularly? What are your worries?
Know with preparation, there's always
enough.

TAURUS: Every once in a while, others truly
notice the quiet, consistent, stabilizing Tau-
rus. They offer recognition to Taurus for jobs
well done, for the unceasing help Taurus
gives. There's a brilliance you bring to groups.
At times you step into educational leadership
positions. You're the best for this position. You
radiate Goodwill to everyone, remembering
to point out those who have courage. You
have it in full. Courage and strength are your
gifts of self-identity.

GEMINI: You continue to be in a state of
focused self-development. Eventually you
will begin to look towards the world, recog-
nizing and understanding humanity's needs.
You will then see that humanity is suffering.
This is when Gemini's begin to serve. It is soon
time for you to help others, to offer support
and resources, time and money, care and
attention. Then you too become one who
receives. At the heart of Gemini, under that

mantle of thought, is love and wisdom from
Venus.

CANCER: It's important to be part of a reli-
gious or spiritual group. It's also important
not to be isolated. You need a balance
between being solitary and being out and
about among people. Being social is some-
times difficult. You sense the depths within
others. You see how others are in need and
you see how "love underlies the happenings
of the times and all events." Love happens to
be the nature of Pisces, too. Love surrounds
us all the time. Heaven and earth are made of
it.

LEO: You're exploring what your right work
in the world may be, both vocation and avo-
cation and what you are to do that will serve
to uplift not only your creative self but also
our culture and civilization. You are asking
what would bring you to being recognized by
others who see your leadership and talents,
gifts and abilities. Leos always need praise
and recognition. That is how they evolve.
Continue the internal inquiry. Answers come
forth in coming months. They depend upon
your ability to focus on the real question of
your heart's desire.

VIRGO: New ideas, concepts, school, study,
traveling, the art of archery, horseback riding
or horse husbandry, publishing, and studying
ancient philosophies, one or more of these,
call you to attention. You seek justice in all
areas of life. You are like King Solomon. Many
recognize your gifts, talents and qualities.

Listening is your best way of understanding
what others need. Remain attentive. Philo-
sophical answers are not useful. Just listen,
listen and listen some more.

LIBRA: There is a focus on money held in
common with another as well as investments
and in this critical time of change and mon-
etary reorientation it's required to be aware of
the world's finances. The best place is www.solari.com/blog for exceptional understand-
ing of the world and our country's economic
situation. One can also become a Solari sub-
scriber. Of all the financial advisors in the
world, this one's the best. Share this with
partners and friends. Buy gold and silver.

SCORPIO: Relationships this month will be
on your mind - all types, along with levels of
closeness, friendships and intimacies. It's
good to review how you are in relationships,
if you are attentive, caring and sharing. Are
you nurturing, generous and do you both
offer and ask for help when needed? Add
forgiveness (of self and others) to your list of
daily tasks. Forgiveness liberates our heart for
further encounters with love. There's some-
one you need to forgive.

SAGITTARIUS: There is an emphasis on
your daily agendas, work and the environ-
ments you find yourself in. Something shifts
at work, some discipline or rule or structure or
timing causing a phase of fine-tuning to
occur. During this time strengthen your sup-
port for others, aligning with them. This will
insure your success should you suddenly be

in charge of everything and everyone. Blend
your Ray 1 (Will) with Ray 2 (Love/Wisdom).
This creates Right Action (Ray 3) and you will
experience the music of the spheres.

CAPRICORN: Relaxation, leisure, pleasure,
games, fun. All these are needed. You might
begin to rest a bit, think of ways to have more
fun and pleasure, ways to relax and perhaps
add a bit of mystery, carefreeness and
romance (there are many kinds of romance).
Plan each week to attend musical or film
events, to stroll downtown with friends, to
have lunches and dinners, little parties, tête-
à-têtes, perhaps a small salon. Art is most
important. Who is your favorite (artist, musi-
cian, dancer, actor)? What creative art are you
now pursuing?

AQUARIUS: These are times when we need
reconciliation, reunions, understanding lead-
ing to kindness, consideration, and a thought-
ful realization that each of us (including you)
is a character, everyone's doing their very best
and everyone's on their Path toward a more
enlightened way of being. It is important to
see the bigger picture of our present world
events. Is there some sort of need, suffering or
sadness in your life at this time? We will pray
for and with you that your dreams come true.

PISCES: You're quite edgy, agitated, restive,
restless with anxious feelings including a
wanting to go anywhere that is not here.
However, there's nowhere to go. The planets
are creating a fiery stellium (gathering) of
impatience, wanderlust and over-sensitivity.
All you can do is visit with memories that
include people, events, ideas and work. It's
not easy and there are no quick answers. Who
from the past needs to be contacted? Is your
winter garden planted yet?
