# In schools to encourage healing.

As if dealing with his mom's death wasn't hard enough, Sean had to adjust to a new home and new school. It was a lot to handle, so he struggled emotionally and academically. Lee from Communities In Schools helped Sean develop coping skills by finding positive outlets for his feelings. As his attitude improved, his grades followed—going from D's to B's. Now, he's focused on football and a promising future. There are millions of at-risk kids like Sean who need a caring adult to help them stay in school and succeed in life.

See how we help all kids succeed. **CommunitiesInSchools.org**
