This project is subject to state contract nondiscrimination and compliance requirements pursuant to Government Code Section 12990. AGENCY affirms that in any contract entered into pursuant to this advertisement, DBEs will be afforded full opportunity to submit bids in response to this invitation.

Pursuant to Section 1773 of the Labor Code, the State prevailing wage rates for this project have been determined by the Director of the California Department of Industrial Relations (DIR) and are set forth on the DIR website: <http://www.dir.ca.gov/DLSR/PWD> but are not printed in the Specifications. The Federal prevailing wage rates for this project are set forth in the Specifications, and addenda to modify the Federal wage rates, if necessary, will be issued to holders of the Specifications. If there is a difference between the State wage rates and the Federal wage rates for similar classifications of labor, Contractor and subcontractors shall pay not less than the higher of the two. Lower State wage rates for classifications not specifically listed in the Federal wage determination will not be accepted; this includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the Federal wage determination.

Conflict of Interest: in the procurement of supplies, equipment, construction, and services by sub-recipients, the conflict-of-interest provisions in 24 CFR 85.36, OMB Circular A-110, and 24 CFR 570.611 shall apply. No employee, officer, or agent of the sub-recipient shall participate in the selection, award, or administration of a contract supported by federal funds if a conflict of interest, real or apparent, would be involved.

Attention is directed to the provisions of Section 1777.5 (Chapter 1411, Statutes of 1968) and 1777.6 of the Labor Code concerning the employment of apprentices by the Contractor or any such subcontractor under him. Affirmative action to ensure against discrimination in employment practices on the basis of race, color, national origin, ancestry, sex, religion, or handicap will also be required.

The AGENCY will deduct a 5-percent retention from all progress payments as specified in Section 9-3.2 of these Specifications. The Contractor may substitute an escrow holder surety of equal value to the retention. The Contractor shall be beneficial owner of the surety and shall receive any interest thereon.

The AGENCY hereby affirmatively ensures that minority business enterprises will be afforded full opportunity to submit bids in response to this notice and will not be discriminated against on the basis of race, color, national origin, ancestry, sex, religion, or handicap in any consideration leading to the award of contract.

In entering into a public works contract or a subcontract to supply goods, services, or materials pursuant to a public works contract, the Contractor, or subcontractor offers and agrees to assign to the awarding body all rights, title, and interest in and to all cases of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Chapter 2 [commencing with Section 16700] of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to the public works contract or the subcontract. This assignment shall be made and become effective at the time the awarding body tenders final payment to the Contractor without further acknowledgment by the parties.

Bids must be prepared on the approved proposal forms in conformance with the Instructions to Bidders and submitted in a sealed envelope plainly marked on the outside.

The bid must be accompanied by a certified or cashier's check or by bidder's bond issued an "admitted surety insurer," made payable to the AGENCY for an amount not less than 10 percent of the amount bid.

All bidders shall be licensed in accordance with provisions of the Business and Professions Code and shall possess a State Contractor's License, Class A or Class B, at the time of bid submittal. The successful Contractor and his subcontractors will be required to possess business licenses from the AGENCY.

Effective January 1, 2015, in order to be awarded and to perform work on public works projects, prime contractors and subcontractors must possess and maintain registration with the Department of Industrial Relations (DIR) at <https://efiling.dir.ca.gov/PWCR>. This is a separate requirement from the Contractors State License Board (CSLB) licensing requirement. See the Special Provisions for additional details.

Notice is hereby given to Contractor that Chapter 34 of the Paramount Municipal Code dealing with false claims of contractors provides for an administrative debarment action for submitting a false claim subjecting Contractor to a potential five (5) year debarment upon finding that Contractor knowingly submitted a false claim as further set forth in Chapter 34. Failure to abide by the provisions of Chapter 34 may lead to a disqualification of the Contractor as an irresponsible bidder and resultant prohibition of Contractor, from bidding as a Contractor, Subcontractor or Consultant for a period up to five (5) years in the City of Paramount.

The AGENCY reserves the right to reject any or all bids, to waive any irregularity, and to take all bids under advisement for a period of 90 days.
